

Magneter och motorer

1

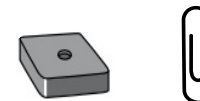

Samling runt magneter

2

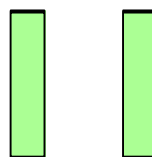

Vi utforskar magneter

3

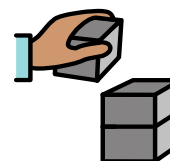

Ta hjälp av en magnet

4

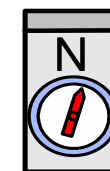

Utforska två
likadana föremål

5

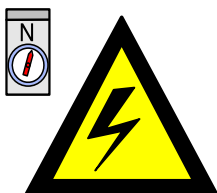

Hur stark är magneten?

6

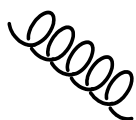

Tillverka en egen kompass

7

Magnetism och elektricitet

8

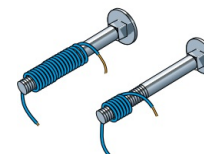

Vi utforskar
fältet runt en spole

9

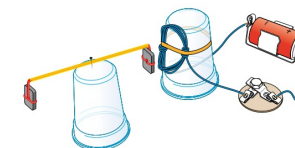

Skapa en egen
elektromagnet

10

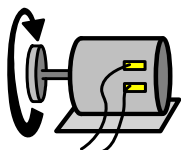

Gör elektromagneten
starkare

11

Experimentera med
din sugrörskompass

12

Bygg en egen elmotor

13

Under skalet på en elmotor

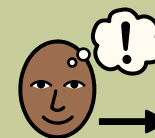

14

Fungerar elmotorn
utan elektricitet?

egenskap

förutsäga
